## News from the Sugar Land Eastern Stars

Texas OES Grand Chapter was in lil' ole' Arlington. It was cool and loving inside Arlington Convention Center. Below are some pictures to enjoy for those who could not attend.

## Widows' Night

## From the East (cont'd)

bought a new license, but never moved the car. This continued until the day she died. Poor old Aunt Minnie never realized the pleasures and travel convenience she missed for no other reason than the fact that she just never made up her mind to get started.

The automobile was hers, and paid for. The streets and roads were there and she helped to pay for them too, but the automobile remained in the garage. The only pleasure she obtained from the automobile was in her ability to tell her friends that she owned an automobile.

I know you will agree that Aunt Minnie was a screwball, but don't be too hard on her until after you take a good look in the mirror. Did you write out a check for your initiation fees as aunt Minnie wrote

out one for her automobile license? Did you take the degrees just as aunt Minnie had a garage built? Do you pay your dues and get your card each year just as aunt Minnie bought the license for her automobile? Do you take an active part and attend the meetings so you can really enjoy your membership, or do you let your membership sit in the garage and rust like Aunt Minnie's automobile? - if you do

"Hi! Aunt Minnie!"

## SAD NEWS...

Our Lodge was saddened to learn this week of the death of one of our most valued members, Someone Else.

Someone's passing creates a vacancy that will be difficult to fill. Else has been with us for many years and for every one of those years, Someone did far more than a normal person's share of the work.

Whenever there was a job to do, a class to teach, or a meeting to attend, one name was on everyone's list, "Let Someone Else do it."

Whenever leadership was mentioned, this wonderful person was looked to for inspiration as well as results; "Someone Else can work with that group." It was common knowledge that Someone Else was among the most liberal givers in our Lodge. Whenever there was a menial task, everyone just assumed Someone Else would make up the difference.

Someone Else was a wonderful person; sometimes appearing superhuman. Were the truth known, everybody expected too much of Someone Else. Now Someone Else is gone! We wonder what we are going to do. Someone Else left a wonderful example to follow, but who is going to follow it? Who is going to do the things Someone Else did?

When you are asked to help this year, remember - we can't depend on Someone Else anymore.
